

Navigators

26 – 27 September 2019

Quality Hotel Parnell, Auckland

Co-ordinated by the Alternative Education National Body

Overall Aim:

The Alternative Education (AE) National Body is co-ordinating the AE Conference with the Ministry of Education. Our aim is to hold a conference for people (the Navigators) who work in this industry and to provide the opportunity to meet and network, sharing collective ideas and experiences.

The Navigators Conference is designed for:

- AE Provider / Managing and Enrolling Schools' with workshops to strengthen good practices within alternative education
- Pedagogical Leaders
- The AE Tutor to build a Kete of Resources

Navigators Conference is “*by AE for AE*” and celebrates that we are “*Navigators*” who continue to take sail in unknown waters yet, there is a sense a compass (the AE National Body with the Ministry of Education) is leading this journey.
